Re: Mine Permit Amendment Application for Cotter Corporation,
Papoose Mine, M/037/084

Dear Mr. Baker:

Enclosed is a draft copy of our proposed amendment for Cotter Corporation's Papoose Mine, permit number M/037/084.

Cotter Corporation is proposing to amend the existing permit to allow for an additional 5 acres of mining. This additional acreage will extend from the southeast end of the existing mine permit area.

I have updated the sections of the amendment application to conform to the Division of Oil, Gas & Mining Non-coal Rules sections R-647-4-104, -105, -106, -109, -110, -112, and -113. Consequently the Form MR-REV-att that is attached indicates that every section of the permit has sections to replace.

Also included is a Cultural Resource Inventory Report prepared by ERO Resources Corporation for the proposed mine permit amendment area.

Thank you for your attention to this matter. If you have any questions, please call me at 970-864-7347.

Sincerely,
COTTER CORPORATION

Glen Williams
Manager of Mining
